

José Fuentes Sepúlveda

Curriculum Vitae

Education

- 2011–2016 **Doctor in Computer Science**, *University of Concepción*, Concepción, Chile.
Thesis: *Parallel Construction of Succinct Data Structures*
Advisors: Leo Ferres, PhD and Meng He, PhD
- 2014 **Visiting Graduate Student**, *Dalhousie University*, Halifax, Canada.
- 2005–2010 **Computer Engineering**, *University of Concepción*, Concepción, Chile.
Thesis: *Accessibility to mathematical expressions*
Advisor: Leo Ferres, PhD
- 2005–2008 **Bachelor of Engineering**, *University of Concepción*, Concepción, Chile.

Research Stays

- 07/2016 **Invited researcher**, *University of Helsinki*, Helsinki, Finland, Area: Data structures and algorithms for network analysis.
(1 month)
Inviting professor: Travis Gagie
- 10/2016 **Postdoctoral stay**, *University of Chile*, Santiago, Chile, Area: Parallel algorithms for compressed indexes and networks.
(present)
Inviting professor: Gonzalo Navarro

Experience

Academic

- 2016 **Part-Time Lecturer**, *Universidad de Concepción*.
Lecturer of the class *Information Technologies*
- 2014–2015 **Part-Time Lecturer**, *Universidad de Concepción*.
Lecturer of the class *Systems Development*
- 2014 **Part-Time Lecturer**, *Universidad del Bío-Bío*.
Lecturer of the class *Programming Language*
- 2013 **Part-Time Lecturer**, *Universidad Católica de la Santísima Concepción*.
Lecturer of the class *Computer Architecture*
- 2011–2013 **Assistant student**, *University of Concepción*.
Assistant student to the class *Data Structures*
- 2012 **Assistant student**, *University of Concepción*.
Assistant student to the class *Systems Development*
- 2011 **Assistant student**, *University of Concepción*.
Assistant student to the class *Parallel Programming in Multicore Systems*

- 2010–2011 **Assistant student**, University of Concepción.
Assistant student to the class *Data Base*
- 2009 **Assistant student**, University of Concepción.
Assistant student to the class *Formal Languages and Introduction to Compilers Theory*
- 2008 **Assistant student**, University of Concepción.
Assistant student to the class *Programming Language*

Occupational

- 2014–2016 **Co-founder & Chief operations officer**, Azu Labs.
- 2011 **System developer**, Comercial sistemas inteligentes para la producción.
Development of project *SGI EDENORTE RD*
- 2009–2011 **System developer**, CEFOP, University of Concepción.
Development of project *CEFOP FB0824*

Voluntary

- 2013–2014 **Volunteer teacher**, Infocap, Concepción, Chile.
Volunteer teacher to teach a profession to workers with social vulnerability

Awards

- 2014 ELAP Democracy Study Tour. Canadian Bureau for International Education (CBIE). Canada
- 2014 Emerging Leaders in the Americas Program (ELAP) scholarship. Department of Foreign Affairs, Trade and Development (DFATD). Canada
- 2012 National commission on science and technology (CONICYT) scholarship
- 2011 Intel Academic Microgrant Award
- 2011 University of Concepción award
- 2011 Engineering faculty award. University of Concepción
- 2010 Fund for undergraduate and graduate thesis. Innova Bío-Bío

Communication skills

- 2015 Oral Presentation at Jornadas Chilenas de la Computación (JCC). Santiago, Chile.
- 2015 Oral Presentation at Symposium on Experimental Algorithms (SEA). Paris, France.
- 2013 Oral Presentation at Fifth Workshop on MASSIVE Data Algorithmics. Sophia Antipolis, France.
- 2012 Oral Presentation at Jornadas Chilenas de la Computación (JCC). Valparaíso, Chile.
